COMPANY OVERVIEW

R & R Construction supports our customers by delivering essential site services and equipment rentals: portable toilets (porta-potties), dumpsters, trash trailers and light towers. We are able to fully service, pump out and repair septic systems and grease traps. We are licensed and insured to build conventional, soil-substitution and aerobic septic systems.

We bring unmatched quality, customer service and availability to essential but often overlooked industries. Utilizing customer focused demand management processes, we continuously prepare and develop customized solutions tailored to your specific needs.

We constantly strive to be a business partner that delivers outstanding service and cleanliness each and every time. We guarantee that your equipment and service will exceed your expectations. For new construction projects, we promise the system will be fully operational from Day 1.

CORE COMPETENCIES

- **Portable Toilets:** Standard, Handicap, Special Events
- **Rentals:** Trash Trailers, Dumpsters, Light Towers
- **Septic Construction:** Commercial, & Residential, Repairs
